Nagaland University

November 18 & 19, 2025

About Nagaland University

Nagaland University, the 13th Central University and the only Central University in Nagaland, was established under the Nagaland University Act 1989 (No. 35 of 1989) and commenced operations on September 6, 1994. The University has jurisdiction over the entire state and comprises three campuses: Lumami (HQ), Kohima, and Medziphema. Currently, it has 44 departments offering UG, PG, and Ph.D. programmes across various disciplines along with 69 affiliated colleges throughout the Nagaland.

About PANE Conference

The XV National Conference of the Physics Academy of the North East (PANE) brings together scientists, academicians, and young researchers from across India to present and discuss the recent advances in Physics. Since its inception at IIT Guwahati, PANE has evolved into a dynamic platform, showcasing diverse branches of Physics and fostering collaborative research and knowledge sharing.
