

Scientific Programme

Track I: Materials Science, Nanoscience & Nanotechnology and Energy Materials

Track II: Electronics, Optoelectronics & Photonics

Track III: Computational Physics, Machine Learning & AI Applications in Physics

Track IV: Quantum Science & Technology

Track V: Nuclear, Particle & High-Energy Physics

Track VI: Astrophysics, Cosmology, Atmospheric Physics & Space Science

Track VII: Plasma Science & Technology

Track VIII: Nonlinear Dynamics & Complex Systems

Track IX: Soft Matter & Biophysics

Important Dates

Registration & Abstract Submission : 1st August 2026

Abstract Submission Deadline : 30th September 2026

Notification of Acceptance : 20th October 2026

Registration Fee Payment Begins : 20th October 2026

Accommodation

Accommodation for plenary and invited speakers will be arranged at the Bodoland University and CIT guest houses, as well as hotels near the conference venue. For other participants, the Organizing Committee will provide available accommodation options and contact details, while participants will make bookings directly with the respective facilities.

Proceedings publication

Selected and accepted full papers may be considered for publication in a Springer Nature proceedings/book series with an ISBN, subject to the publisher's approval and applicable review requirements. Detailed information regarding manuscript submission, review, and publication will be communicated separately to the authors.

Early-career PhD student support

A limited number of support grants (registration fee waivers and travel/accommodation), will be available for early stage PhD students, subject to the availability of funds.

About PANE

PANE is a premier scientific organization dedicated to the promotion of physics research, education, and collaboration across the North Eastern region of India. The PANE conference serves as a vibrant platform for researchers, academicians, students, and industry professionals to exchange ideas, present recent scientific advances, and discuss emerging trends in diverse areas of physics.

PANE 2026 will feature invited lectures, contributed talks, and poster presentations covering diverse areas of contemporary physics. We warmly invite researchers and students to participate and contribute to the success of the conference.
